Cambridge Latin Course -

Cambridge School Classics Project

Answers

Over the past 50 years, the Cambridge School Classics project has been refining and developing the world's leading Latin program, the Cambridge Latin Course. The course immerses students in the language and culture of the Roman Empire, and has them reading Latin from the very first page. Through our digital learning platform, students can access dramatizations of stories, documentaries that enhance the cultural themes, and interactive language activities to check understanding.
