Exploration And Decision Making

Focused solidly on doing rather than on explaining, this text gets right to the heart of career decision making: It 1) walks students through the process of self-knowledge and self-discovery, 2) encourages them to believe in themselves and in their own ability to influence outcomes and achieve their career goals, and 3) guides them in working with various job/career-search and development tools in progressively demanding tasks to make their goals become a reality.

Focused solidly on doing rather than on explaining, this book gets right to the

# File Type PDF Career Adventure The Your Guide To Personal Essment Career

Exploration And Decision Making. Guides the reader through the steps to self-knowledge and discovery, helping them explore career dreams, motivations, values, life stages, abilities and skills, personality, and interests. Includes evaluation of emotional intelligence, values, and interests; coverage of using the Internet to conduct career exploration; references for Bureau of Labor Statistics, O\*Net and JobWeb home pages; DOL resources and labor market trends; and discusses the process of using electronic resumes and electronic resume distribution, electronic interviewing and electronic
