for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? component of applications: the supplemental essay section. This book provides stellar examples of admissions essay writing from successful high school student applicants. By drawing on the themes and writing techniques these students use, you can improve and revamp your college application to maximize your chances of successful admittance to a prestigious university. Achieving admission to a prestigious university in the United States has become quite a challenge. Students with comparable test scores and accolades struggle to identify a means of distinguishing their applications to Ivy Leagues, as well as other competitive colleges. One of the most easily overlooked opportunities for making your student profile stand out to an exacting committee of college admissions officers is the supplemental essay. This book will assist you with maximizing the strength of your short answer

responses, and all you have to do is flip through it. Once you have completed the common application personal essay, it can be tempting to breeze through the additional essay questions, many of which require brief responses that revisit information you've already provided elsewhere in your application materials. Because of the competitive nature of college admissions, you must resist the urge to write off any component of your application as inconsequential. Each aspect of your student profile should be meticulously composed and proofread--we recommend beginning early so that your essays can pass before as many critical eyes as possible. You should also resist the easy trap of repeating yourself. Even if the supplemental questions correspond to the information you've already given, remember that your application is being examined by people who are reading hundreds of student

profiles. By using writing techniques to add vigor to what could be an otherwise plodding and redundant application, you can draw the attention of admission officers and improve your chances of success. In order to assist you with writing compelling supplemental essays, this book collects sample short essay responses from real high school students. The essays chosen for this guide have undergone a careful selection process by a staff of highly qualified admissions counselors and tutors so as to represent model essay examples. If you find yourself struggling to compose interesting or meaningful answers to the many different prompts in the common application, this guide can be used as a source of inspiration. We have attempted to exhaust the variety of potential short answers you will have to face, but we have also chosen to specifically focus on the essay questions asked by Ivy League

schools and prestigious universities. You should feel free to skip to the sections which are relevant to your current list of prospective schools. This guide draws upon years of experience assisting high school students with achieving admission to the top schools in the United States, and our goal is to rectify the common mistake students make when they fail to recognize the significance of the supplemental writing sections of the common application. Once the general data, such as your GPA and test score, has been accounted for, the essays become your best shot at bolstering your application. Since you've purchased a copy of this book, however, you're already on the right track to achieve admittance to your preferred school.

admissions is fiercer than ever. Now you can put yourself ahead of the pack by making your application flawless! When applying for college, good grades and high standardized test scores are not always enough to guarantee admission. What sets you apart, argues Michele Hernández, is the way you describe yourself in your application. But how do you present yourself with flair, and highlight all your talents, skills, and passions, in just a few pages? A former assistant director of admissions at Dartmouth College, Dr. Hernández takes you step-by-step through the entire application process, revealing the details that make or break an applicant. From the multitude of short and longer essays to the myriad of charts, lists, and personal data sections, she offers essential advice, useful anecdotes, and vivid examples. Included are:
