Sheyne Rowley became known as The Australian Baby Whisperer because of the highly successful philosophy she developed to show parents how to assist their babies to be calm, content, happy and to sleep without stress. In this concise, easy-to-read book, Sheyne outlines the skills you and your baby need for good sleep. These include: teaching your baby how to cope with being put in their cot awake; guiding your baby using confident, respectful and clear communication; and

showing your baby they can cope with you leaving the room before sleep through activities that help them become comfortable and relaxed in their own space. Your child's sleep will be transformed by Sheyne's tried and tested strategies including showing how to identify your child's individual sleep needs - which might be low, average or high; and communicating respectfully and gently with your baby so you can ask them to go to sleep without tears and tantrums. This book will equip you with all the skills you need to get your baby to sleep confidently and independently, without the old fashioned one-size-fits-all routine and control-crying method. After years of working closely with thousands of

yourself! In *The Intentional Bookshelf* author, blogger, and bibliophile-mama, Samantha Munoz shares how her daughter's carefully curated bookshelf has saved her sanity as a parent and can save yours, too. Through actionable tips, thoughtful personal stories, and tongue in cheek humor, Sam teaches you:

- The value of literature for parents and children
- How to plan and build your child's library
- The types of books to choose from
- How to organize your shelves
- Unique activities to go outside the book and more!

The choice is yours; either struggle through parenting with no backup or learn to craft a library of resources that is a reflection of your child and your family. (Hint, if the second
