Dumb Luck - University of Michigan Press

Banned in Vietnam until 1986, Dumb Luck--by the controversial and influential Vietnamese writer Vu Trong Phung--is a bitter satire of the rage for modernization in Vietnam during the late colonial era.

Dumb Luck by Vu Trong Phung - Goodreads

The protagonist of Vu Trong Phung's 1936 novel Dumb Luck (So Do), Red-Haired Xuan, soars high in the pantheon of fictional fake-it-till-you-make-it characters. There are echoes of Damon Runyon's rogues, hints of some of Charlie Chaplin's characters, and more than a touch of Thomas Ripley, albeit a decidedly less lethal version.

[Book Review] Dumb Luck: a modern Hanoi classic

Dumb Luck (So Do) is a 1936 novel by Vietnamese novelist Vu Trong Phung which satirises the late-colonial Vietnamese middle classes.

Dumb Luck - Vu Trong Phung - Complete Review

Dumb Luck was written by Vu Trong Phung and published in 1936. The story takes place in Vietnam, although it was allowed in the country until 1986 because of its satirical representation of the Vietnamese middle class under French colonial rule. Phung was born and raised in Tonkin Vietnam, which is where he chose the setting of the novel.

“ Dumb Luck ” : A Vietnamese Satire | Empires and Colonialism

Although Dumb Luck mocks the Vietnamese elite's superficial understanding of the great Viennese modernist, Phung was fascinated by Freudian character analysis and attempted to employ it in several of his works.⁴⁰ "No one in our group followed international developments as closely as Vu Trong Phung," remarked Vu B~ng, "or tried as hard to understand the obscure terms that we read in *Le Canard Enchaîné*."⁴¹ Critics have suggested a variety of Western models for the distinctive style and ...

This once banned book is the first colonial-era Vietnamese novel to be translated into English and published in the West

This volume is a comprehensive study of Vietnam's greatest and most controversial 20th century writer who died tragically in 1939 at the age of 28. Vu Trong Phung is known for a remarkable collection of politically provocative novels and sensational works of non-fiction reportage that were banned by the communist state from 1960 to 1986. Leading Vietnam scholar, Zinoman, resurrects the life and work of an important intellectual and author in order to reveal a neglected political project that is excluded from conventional accounts of modern Vietnamese political history. He sees Vu Trong Phung as a leading

What does it mean when a city of 180,000 people has more than 5,000 women working as prostitutes? This question frames Vu Trong Phung's 1937 classic reportage *Luc Xi*. In the late 1930s, Hanoi had a burgeoning commercial sex industry that involved thousands of people and hundreds of businesses. It was the center of the city's nightlife and the source of suffering, violence, exploitation, and a venereal disease epidemic. For Phung, a popular writer and intellectual, it also raised disturbing questions about the state of Vietnamese society and culture and whether his country really was "progressing" under French colonial rule. Translator Shaun Kingsley Malarney's thoughtful and multifaceted introduction provides historical background on colonialism, prostitution, and venereal disease in Vietnam and discusses reportage as a literary genre, political tool, and historical source. A fully annotated translation of *Luc Xi* follows, in which Phung takes readers into the heart of colonial Hanoi's sex industry, portraying its female workers, the officials who attempted to regulate it, the doctors who treated its victims, and the secretive medical facility known as the *Nha Luc Xi* ("The Dispensary"), which examined prostitutes for venereal diseases and held them for treatment. Drawing from his interviews with doctors, officials, and prostitutes and the writings of French doctors on prostitution and venereal disease, Phung provides a rare, firsthand look at the damage caused by the commercial sex industry. His sympathetic portrayal of the Vietnamese underclass is considered one of the most accurate, but he also provides one of the most acerbic, humorous, and critical views of the changes wrought by colonialism in Southeast Asia.

This work by Vu Trong Phung, written in the 1930s, reports and expands on the author's meetings with North Vietnamese women who had made an "industry" of marrying European men. *The Industry of Marrying Europeans* is notable for its sharp observations, pointed humor, and unconventional mix of nonfictional and fictional narration, as well as its attention to voice: Vu Trong Phung records the French-Vietnamese pidgin dialect spoken by these couples. This prolific writer died at age twenty-seven, leaving behind one of the most impressive bodies of work in modern Vietnamese literature.

"Zinoman makes original contributions on multiple fronts, including colonial systems; prisons as social institutions; political life in prison; public campaigns concerning prisons; and released prisoners in action. He also takes us beyond the

colonial/anticolonial, nationalist/communist, and war/peace dichotomies that have long dominated Vietnam studies."—David Marr, author of *Vietnamese Tradition on Trial, 1920-1945* "This is a wonderful, lucidly argued, and meticulously documented book."—Ann Stoler, author of *Race and the Education of Desire: Foucault's History of Sexuality and the Colonial Order of Things*

In this evocative memoir, Kim Lefèvre recounts her childhood and adolescence growing up in colonial Viet Nam. As a little girl living with her Vietnamese mother, she doesn't understand the reactions of others toward her, their open mistrust, contempt, and rejection. Though she feels no different from those around her, she comes to understand that to Vietnamese she is living proof of her mother's moral downfall, a constant and unwelcome reminder of a child conceived with a French soldier out of wedlock. As anticolonial sentiment grows in an atmosphere of rising nationalism, Lefèvre's situation becomes increasingly precarious. Set within a tumultuous period of Franco-Vietnamese history—resistance and revolt, World War II and the Japanese invasion, the first war for independence against the French—*White Mé tisse* offers a unique view of watershed events and provides insights into the impact of upheaval and open conflict on families and individuals. Lefèvre's story captures the instability and daily humiliations of her life and those of other marginalized members of society. Sent by her mother to live with distant family members who view her variously as ungrateful, a bad seed, or "neither gold nor silver," she is later abandoned in an orphanage with other *mé tisse* girls. Lefèvre's discovery of her own sexuality is overshadowed by her mother's concerned advice to not repeat the same mistakes she had made, reminding her daughter of the Vietnamese social mores that condemn her very existence. Eventually the challenge and solace of education lead to a scholarship to study in Paris and Lefèvre departs Viet Nam for a new life in France in 1960. Part personal memoir, part coming of age story, Lefèvre's moving account shows the courage and strength of an individual who is able to embrace her hybrid identity and gain Self-Esteem on her own terms despite living between worlds. *White Mé tisse* has been in print in France since its appearance in 1989 and continues to resonate strongly in the universal contexts of immigration, shifting cultural identities, rejection, and assimilation. Now Jack A. Yeager's elegant translation makes Kim Lefèvre's compelling memoir available to English-speaking readers.

The poems in *Black Dog, Black Night* highlight an aspect of Vietnamese verse previously unfamiliar to American readers: its remarkable contemporary voices. Celebrating Vietnam's diverse and thriving literary culture, the poems collected here combine elements of French Romanticism, Russian Expressionism, American Modernism, and native folk stories into a Vietnamese poetic tradition marked by vivid imagery, powerful emotions, and inventive forms. Included here are 17 postmodern and experimental Vietnamese poets, including the founding editor of *Skanky Possum* magazine, as well as American poets of Vietnamese descent.

This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring

Where To Download Dumb Luck Vu Trong Phung

the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family ' s daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui ' s story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize – winning novelist Viet Thanh Nguyen calls “ a book to break your heart and heal it, ” *The Best We Could Do* brings to life Thi Bui ' s journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

A Vietnamese son's account of his father's experiences in three wars remembers how his former wealthy landowner family was shattered by the French occupation of Indochina, the Japanese invasion during World War II, and the Vietnam War. Reprint.
