People from all walks of life are appalled and fascinated in equal measure by the stratospheric political career of the tycoon and three-time Italian Prime Minister Silvio Berlusconi. Michael Day provides an in depth look at the life and crimes of the shameless media mogul until his nine lives ran out and he faced definitive conviction which signaled his irreversible decline. He tells the story of a bright and ambitious man from a lower-middle class family who shook off his humble origins and rose to become rich and powerful beyond most people's dreams—a multi-billionaire whose Mediaset company remains one of Europe's largest television and cinema conglomerates. Along the way, amid the election victories, business triumphs, and womanizing, he became bogged down by his hubris,

egotism, sexual obsessions, as well as his flagrant disregard for the law. And yet how and why did Italy and Italians put up with him for so long? With the 78-year-old's legal woes ongoing, including further trials for bribery, after a recent nine-month community service stint, *Being Berlusconi: The Rise and Fall from Cosa Nostra to Bunga Bunga* is well-timed to mark the final chapters of a notorious—and astonishing—life and career.

She became a sensation of the Paris Opera, with every accolade but an original role—her chance at immortality. When one is offered to her, she finds the libretto is based on her deepest secret, something only four people have ever known. But who betrayed her? With “epic sweep, gorgeous

noise, he says, that seeking moments of silence has become both harder and more necessary than ever before. Silence is the indispensable doorway to the divine, explains the cardinal in this profound conversation with Nicolas Diat. Within the hushed and hallowed walls of the La Grande Chartreux, the famous Carthusian monastery in the French Alps, Cardinal Sarah addresses the following questions: Can those who do not know silence ever attain truth, beauty, or love? Do not wisdom, artistic vision, and devotion spring from silence, where the voice of God is heard in the depths of the human heart? After the international success of *God or Nothing*, Cardinal Sarah seeks to restore to silence its place of honor and importance. "Silence is more important than any other human work," he says, "for it expresses God. The true
