"In 2016, Social Security rules changed radically. Do you know how - and how these changes might apply to you? Americans have left literally billions of Social Security dollars on the table - benefits we have earned, are eligible to take, but simply aren't aware of. Fully revised and carefully updated in light of the new law, Get What's Yours is the indispensable guide to collecting the maximum Social Security benefits possible."--Page [4] of cover.

A coauthor of the New York Times bestselling guide to Social Security Get What's Yours authors an essential companion to explain Medicare, the nation's other major benefit for older Americans. Learn how to maximize your health coverage and save money. Social Security provides the bulk of most retirees' income and Medicare guarantees them affordable health insurance. But few people know what Medicare covers and what it doesn't, what it costs, and when to sign up. Nor do they understand which parts of Medicare are provided by the government and how these work with private insurance plans--Medicare Advantage, drug insurance, and Medicare supplement insurance. Do you understand Medicare's parts A, B, C, D? Which Part D drug plan is right and how do you decide? Which is better, Medigap or Medicare Advantage? What do you do if Medicare denies payment for a procedure that your doctor says you need? How do you navigate the appeals process for denied claims? If you're still working or have a retiree health plan, how do those benefits work with Medicare? Do you know about the annual enrollment period for Medicare, or about lifetime penalties for late enrollment, or any number of other key Medicare rules? Health costs are the biggest unknown expense for older Americans, who are turning sixty-five at the rate of 10,000 a day. Understanding and navigating Medicare is the best way to save health care dollars and use them wisely. In Get What's Yours for Medicare, retirement expert Philip Moeller explains how to understand all these important choices and make the right decisions for your health and wealth now--and for the future.

At a time when healthcare and medical insurance are more important than ever comes this authoritative, unbiased new volume in the acclaimed Get What's Yours series. Healthcare expert Philip Moeller has written a reliable, concise guide to healthcare and health insurance basics. He provides tools that patients need before, during, and after they get medical care. He describes the care we need, the care we don't, and how to deal with doctors, hospitals, and other healthcare providers. Moeller explains telemedicine and healthcare apps that have become so important during the coronavirus epidemic. The book shares the stories of disruptive health innovators who have given us access to true health costs, cheaper prescription drugs, and low-cost care in and outside the US. You will learn how to avoid poor care, fight back against denied insurance claims and inflated bills, and use social media to connect with powerful advocates. Throughout, Get What's Yours for Healthcare draws on stories of people who share their lessons on how to successfully navigate the healthcare system. This invaluable guide helps people get access to the care they need at a price they can afford. It's the book we all need now.

Three personal-finance experts explain the secrets to maximizing Social Security benefits that could bring eligible retirees thousands of dollars more each year.

"Explains for those 65 and older how to make [choices] in the annual Medicare enrollment period to maximize your health coverage without overpaying"--

Revised March 2016, this is a summary and analysis of the book, Get What's Yours: The Secrets to Maximizing Out Your Social Security by Laurence Kotlikoff, Phillip Moeller and Paul Solman. Social Security has always been a hot topic in the United States. Every year the US government doles out hundreds and billions of dollars in benefits and social insurance. As a citizen, it's your responsibility to know and understand how this program works. Unfortunately, despite being one of the biggest federal programs implemented by the government, it's also one of the most complicated and convoluted to understand. To navigate the forbidding maze of Social Security and emerge with the highest possible benefits, you could try reading all 2,728 rules of the Social Security system (and the thousands of explanations of these rules). But Kotlikoff, Moeller, and Solman do the navigating for you, explaining Social Security benefits in an easy to understand and user-friendly style. What you don't know can seriously hurt you: wrong decisions about which Social Security benefits to apply for cost some individual retirees thousands in lost income every year. This summary includes a critique of the book's messages, presents information from other studies that discuss current and future state of Social Security, as well as a quick reference list of planning tips to help Maximize Social Security Benefits. Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 337 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This is a summary that is not intended to be used without reference to the original book.

Social Security is an American insurance program which pays out millions of dollars each year. It is a program is very hard to understand and use. The authors present fifty tips to get more benefits from Social Security.This book provides an informal critique and summary of the main topics and messages of the guide.

RETIRE WITHOUT REGRETS What's the biggest retirement mistake you can make? Not taking full advantage of your Social Security benefits. And it's a mistake that almost every retiree makes. If you're like most people, you would have to be a millionaire to earn as much from your investments as you can from Social Security. But Social Security also comes with pitfalls, and the wrong choice can leave you poorer for the rest of your life. Luckily, America's #1 retirement expert, Bob Carlson, editor of the popular Retirement Watch newsletter and website, is here to help with an easy-to-follow guide to getting the most out of your Social Security benefits. You'll learn: • The right time to claim your benefits--and why timing is key • Whether you should take a lump sum benefit • How to minimize your total tax bill with smart Social Security choices • Why working can sometimes decrease your benefits • How to calculate your "longevity risk" so you never run out of money • When you can change your benefits claim, and when you can't • Why you can't depend on the Social Security Administration for good advice--or even correct information • And much, much more! Millions of Americans have come to regret their Social Security decisions. If you want to avoid the same mistakes, you need Where's My Money? Secrets to Getting the Most out of Your Social Security.

Revised March 2016, this is a summary and analysis of the book, Get What's Yours: The Secrets to Maximizing Out Your Social Security by Laurence Kotlikoff, Phillip Moeller and Paul Solman.Social Security has always been a hot topic in the United States.
