JL Audio recommends using subwoofers as part of a bi-amplified system using high quality satellite speakers like our Evolution line of coaxial and component speakers. We do not recommend the use of passive crossover components (coils) on subwoofers. These components may adversely affect the performance of a subwoofer.

Subwoofer Specifications Qts (total speaker ... - JL Audio

JL Audio Fathom f110v2 10" Subwoofer Review "The JL f110v2 is a mighty mite of a sub, conceding little to its larger brothers.

Placing it up front in a stereo system, crossed over to the main speakers and, most crucially, matched to the room with D.A.R.O., it can extend and clarify the bass response of your system." ...
