Grewal and Levy's Marketing is the first text published since the AMA introduced its new value-based definition of the word Marketing, making it the most modern and forward thinking of all principles of marketing offerings. It seeks to apply the marketing concept. Marketing and its supplementary package was built from scratch by focusing on what the market wants. The motto, Marketing Creates Value permeates this text and is stressed through the main themes of entrepreneurship, service global marketing, and ethics.

"Throughout this edition numerous examples of how students engage in marketing activities every day of their lives—either as consumers or sellers of a product or service. In addition to providing the traditional study and reinforcement tools of most principles of marketing products, we also offer ways to help students think critically about and apply core concepts"--
