‘ His book is a joy to read, full of homespun wisdom and hilarious asides ’ Independent _____ Where do comedians come from? Why is it that one person is a funny bloke down the pub while another actually makes a living by standing up in front of an audience telling jokes? And where does all that material come from? Well, young Lee McKillop used to wonder that too. _____ Growing up in his parents ’ pub, small and wiry in a world of bigger and chunkier specimens, Lee quickly learned that cracking jokes was a way to get attention. After a somewhat random series of jobs, which included being Red Rum ’ s stableboy and a bingo hall barman, it was as a Great Yarmouth holiday camp entertainer that he had his first crack at telling jokes on stage. It got him some laughs, the sack and a punch in the face.* Now, as Lee Mack, he ’ s one of our best loved and most successful comedians, both as a live stand-up and on television. In Mack the Life, Lee tells the story of how he got there and gives extraordinary insight into what really makes comics tick. Hilarious and brilliant, it ’ s the kind of book which reminds you why you learned to read in the first place. *Nearly.

Lee Evans is one of the best-loved comedians in the country; a Hollywood star able to sell out arenas in the blink of eye. But he was not always such a roaring success. The Life of Lee is an utterly hilarious and very moving autobiography charting his ups and downs on the way to the top. Lee takes us on a darkly humorous journey through his childhood spent running wild on a Bristol housing estate and his unconventional school days, when he was publicly derided as 'a failure' by a sadistic teacher. In this brilliantly entertaining and engaging tale, he also guides us through a grim teenage period of numerous dead-end jobs. When he was cleaning toilets and plucking turkeys, he could never have imagined that one day he would be playing to thousands of adoring fans at the O2 Arena. The book also reveals how as a boy Lee got his first taste of showbiz, living out of a suitcase and accompanying his entertainer father around the smoky, rowdy, unforgiving working-men's club and theatre circuit. Desperately struggling to be accepted, this quiet young loner always saw himself as an outsider. But he finally met the love of his life and accidentally discovered the one place where he felt at home: the stage. The Life of Lee is a story that is like its subject: compelling, touching, charming and, above all, fantastically funny.

Rob Brydon tells story of his slow ascent to fame and fortune in Small Man in a Book. A multi-award-winning actor, writer, comedian and presenter known for his warmth, humour and inspired impressions, Rob Brydon has quickly become one of our very favourite entertainers. But there was a time when it looked like all we'd hear of Rob was his gifted voice. Growing up in South Wales, Rob had a passion for radio and soon the Welsh airwaves resounded to his hearty burr. However, these were followed by years of misadventure and struggle, before, in the TV series Marion and Geoff and Gavin and Stacey, Rob at last tickled the nation's funny bone. The rest, as they say, is history. Or in his case autobiography. Small Man in a Book is Rob Brydon's funny, heartfelt, honest, sometimes sad, but mainly funny, memoir of how a young man from Wales very, very slowly became an overnight success. Rob Brydon was brought up in Wales, where his career began on radio and as a voiceover artist. After a brief stint working for the Home Shopping Network he co-wrote and performed in his breakthrough show, the darkly funny Human Remains. He has since starred in the immensely popular Gavin and Stacey, Steve Coogan's partner in The Trip, and was the host of Would I Lie to You? and The Rob Brydon Show. He now lives in London with his wife and five children.

The cheque's in the post. I'm still at the office. That looks great on you. Lies make the world go round. And in this book the Would I Lie To You? team celebrates the fine art of the everyday fib. Like the deliriously funny contributions of Rob Brydon, Lee Mack and David Mitchell in the hugely successful panel game, here is a delightful collection of 100 fibs that all of us can recognise. Lies like: I didn't even notice she was pretty; I'm working from home tomorrow; and wow, your tattoo looks really... interesting. Written in the same warm, witty and inspired tone that's made the TV show such a hit, the book uncovers the little deceptions that strike a chord with all of us. There are the lies we tell others, the lies people tell us and the lies we tell ourselves. Each entry in the book is laugh-out-loud funny, and filled with more than a little bit of painful truth. If you're a fan of the show, a lover of spot-on observational comedy, or have ever told a porky, Would I Lie To You? Presents the 100 Most Popular Lies of All Time is the book you've been waiting for.

'A truly eye-opening book from a fantastic comedian.' ADAM KAY 'Comedy genius... The funniest book I've read in years.' - DAVID WALLIAMS What's the worst thing about being disabled? Is it the shameless staring? Is it that people assume you're a bit thick because you can't speak? Or is it that your friends always take you to theme parks just so they can jump the queues? In fact, it's the stupid questions that really rile Lee Ridley, aka Lost Voice Guy. And over the years he's been inundated with them, from people who have failed to engage their brains before opening their mouths. Which is where I'm Only In It for the Parking comes in - think of it as a disabled FAQ, with funny (sometimes painfully funny) stories from Lee's not-so-ordinary life. If you think you know what it's like to be disabled, prepare to have your perceptions skewed by the much-loved Britain's Got Talent winner, the brilliant stand-up who struggles to stand up, the Geordie without the accent. And before you ask ... no, he really can't speak at all. But he definitely has something to say. 'Hilarious.' The Sun

The 1776 Report is the official report of The President's Advisory 1776 Commission. Submitted to the President and released as a public document on January 18, 2021, the report explains the core principles of the American founding and how they have shaped American history, considers the leading challenges to these principles at home and abroad, and calls on all Americans to “ restore our national unity by rekindling a brave and honest love for our country and by raising new generations of citizens who not only know the self-evident truths of our founding, but act worthy of them. ” This edition features the original text with the addition of notes and commentary by Chair Larry P. Arnn, Vice Chair Carol Swain, and Executive Director Matthew Spalding.

The instant #1 New York Times bestseller! “ It's the best memoir I've ever read. ” —Oprah Winfrey “ Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma. ” —USA Today One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had.

Will Smith ' s transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it ' s only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

You can't judge a dog by its cover: The heroic story of a sweet, loyal pit bull pup that defies expectations and her breed's reputation to save the day--and the boy she loves! 11-year-old Mackenzie has got one friend in the whole world: Cash, his brown-eyed pit bull. His dad won the runt after a long night of gambling--ever since Mack's mom died, that's all he seems to do, and soon he erupts in a rage at the innocent pup, takes her away in the trunk of his car, and dumps her in the middle of nowhere. Mack vows to find Cash and bring her back home--he has to! All strays are about to be outlawed and put down. Little does Mack know that while he searches for Cash, she's surviving her own adventures and proving in the process that all dogs--even pit bulls--are born good

Discover Michael McIntyre's hilarious life-story in *Life and Laughing*. Michael McIntyre is Britain's biggest comedy star. He has released two record-breaking DVDs, *Live and Laughing* and *Hello Wembley*; hosts his own BAFTA-nominated BBC1 series, *Michael McIntyre's Comedy Roadshow*; and has picked up British Comedy Awards for Best Live Stand-Up and Best Male TV Comic. Last year he became the youngest ever host of the Royal Variety Performance, and now in 2011 he takes the hot seat as a judge in the hit ITV show *Britain's Got Talent*. How did he get there? Michael reveals all in his remarkably honest and hilarious autobiography. His showbiz roots, his appalling attempts to attract the opposite sex, his fish-out-of-water move from public to state school and his astonishing journey from selling just one ticket at the Edinburgh Festival to selling half a million tickets on his last tour. Michael McIntyre's *Life and Laughing* is riveting, poignant, romantic and above all very, very funny. Michael McIntyre was born in South London in 1976 to parents from the world of showbiz. His Hungarian mother was a dancer and his Canadian father co-wrote *The Kenny Everett Television Show*. Now he is a stand-up comedian who in 2009 sold out a record six nights at Wembley Arena and four nights at London's O2. Michael lives in North London with his wife Kitty and their sons Lucas and Oscar. This is his first book.

As well as giving a specific account of every single time he's scored some smack, this disgusting memoir also details: the singular, pitbull-infested charm of the FRP ('Flat Roofed Pub') the curious French habit of injecting everyone in the arse rather than the arm why, by the time he got to Cambridge, he really, really needed a drink the pain of being denied a childhood birthday party at McDonalds the satisfaction of writing jokes about suicide how doing quite a lot of walking around London helps with his sciatica trying to pretend he isn't a total **** at Robert Webb's wedding that he has fallen in love at LOT, but rarely done anything about it why it would be worse to bump into Michael Palin than Hitler on holiday that he's not David Mitchell the novelist. Despite what David Miliband might think
