Published in Turkish in 2002, it was translated into English by Maureen Freely and published in 2004. The story encapsulates many of the political and cultural tensions of modern Turkey and successfully combines humor, social commentary, mysticism, and a deep sympathy with its characters.

Snow (Pamuk novel) - Wikipedia Village Voice " It comes as no surprise that political prescience should be yet another of the many gifts of Turkish novelist Orhan Pamuk. With Snow, Pamuk gives convincing proof that the solitary artist is a better bellwether than any televised think-tanker ... The work is a melancholy farce full of rabbit-out-of-a-hat plot twists that, despite the locale, looks uncannily like the magic lantern show of misfire, denial and pratfall that appears daily in our newspapers. "

Snow by Orhan Pamuk - Goodreads Although it ’ s set in the 1990s and was begun before 9/11, Snow is eerily prescient, both in its analyses of fundamentalist attitudes and in the nature of the repression and rage and conspiracies and violence it depicts. Like Pamuk ’ s other novels, Snow is an in-depth tour of the divided, hopeful, desolate, mystifying Turkish soul. It ’ s the story of Ka, a gloomy but appealing poet who hasn ’ t written anything in years.

Snow by Orhan Pamuk, Maureen Freely, Paperback | Barnes ... Snow is set in the small Turkish town of Kars, isolated from the rest of the world for three days by a snowstorm. The plot of the novel is as intricate and symmetrical as the pattern of a snowflake.

Snow by Orhan Pamuk | Audiobook | Audible.com Raised in a wealthy and Western-oriented family, Pamuk attended Robert College, an American school in Istanbul, and went on to study architecture at Istanbul Technical University. After three years he dropped out and devoted himself full-time to writing.

After years of lonely political exile, Turkish poet Ka returns to Istanbul to attend his mother’s funeral and learns about a series of suicides among pious girls forbidden to wear headscarves.

A portrait, by turns intimate and panoramic, of one of the world’s great cities, by its foremost man of letters. Blending reminiscence with history; family photographs with portraits of poets and pashas; art criticism, metaphysical musing, and, now and again, a fanciful tale, Pamuk invents an ingenious form to evoke his lifelong home, the city that forged his imagination. He begins with his childhood, his first intimations of the melancholy awareness of living in the seat of ruined imperial glories, in a country trying to become "modern" at the crossroads of East and West. Against a background of shattered monuments, neglected villas, ghostly backstreets, and, above all, the fabled waters of the Bosphorus, he charts the evolution of a rich imaginative life, which furnished a daydreaming boy refuge from family discord and inner turmoil, and which would continue to serve the famous writer he was to become. --From publisher description.

“ Some ’ old school ’ horror storytelling of the highest degree ” from the award-winning author of Bone White (Bloody Disgusting). They come in with the snow. They are the snow . . . The blizzard begins pummeling the Midwest on Christmas Eve, leaving hundreds of passengers stranded at Chicago ’ s O ’ Hare International Airport. Todd Curry doesn ’ t need another reason to disappoint his son, so he joins three other people in renting the last four-wheel drive available and they set out into the blinding snow. Only two hours into the treacherous trip west, Todd swerves to avoid a man in the middle of the highway. The stranger claims his daughter is lost somewhere out in the snow. Though his odd demeanor and ripped clothes make Todd and his group uneasy, they agree to take the man to the nearest town—if the now-damaged car can make it. What awaits them at the next exit, however, is nothing they could have imagined. Around an empty town square, fires burn, cars are abandoned, storefronts are smashed. And there is no one to be seen—for now . . . But soon the shadows lurking on the edges of their vision will step into the light, and Todd and his fellow travelers will find themselves facing a sharp-scythed evil shaped from the snow, tearing its way into human form—and taking the neighborhood by storm. “ Malfi ’ s descriptive writing captures the cold and desperate scene in a way that will lure new fans to the genre. ” —Las Vegas Review-Journal “ An impressively atmospheric novel with a wicked streak. ” —Dread Central

The Black Book is Orhan Pamuk’s tour de force, a stunning tapestry of Middle Eastern and Islamic culture which confirmed his reputation as a writer of international stature. Richly atmospheric and Rabelaisian in scope, it is a labyrinthine novel suffused with the sights, sounds and scents of Istanbul, an unforgettable evocation of the city where East meets West, and a boldly unconventional mystery that plumbs the elusive nature of identity, fiction, interpretation and reality.

Ken Follett ’ s magnificent historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women ’ s suffrage. A thirteen-year-old Welsh boy enters a man ’ s world in the mining pits. . . . An American law student rejected in love finds a surprising new career in Woodrow Wilson ’ s White House. . . . A housekeeper for the aristocratic Fitzherberts takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, Fall of Giants takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . . .

Explores existential and political themes in Orhan Pamuk’s work and investigates the apparent contradictions in an arena where Islam and democracy are often seen as opposing and irreconcilable terms. Existential themes delve into literary nuances in Pamuk that discuss love, happiness, suffering, memory and death.

From the Nobel Prize-winning novelist, an inspired, thoughtful, and deeply personal book about reading and writing novels. In this fascinating set of essays, based on the talks he delivered at Harvard University as part of the distinguished Norton Lecture series, Pamuk presents a comprehensive and provocative theory of the novel and the experience of reading. Drawing on Friedrich Schiller ’ s famous distinction between “ na ĩ ve ” writers—those who write spontaneously—and “ sentimental ” writers—those who are reflective and aware—Pamuk reveals two unique ways of processing and composing the written word. He takes us through his own literary journey and the beloved novels of his youth to describe the singular experience of reading. Unique, nuanced, and passionate, this book will be beloved by readers and writers alike.

When Orhan Pamuk won the Nobel Prize for Literature in 2006, he was honored as a builder of bridges across a dangerous chasm. By rendering his Turkish characters and settings familiar where they would otherwise seem troublingly foreign, and by speaking freely against his authoritarian state, he demonstrated a variety of literary greatness that testified also to the good literature can do in the world. Gloria Fisk challenges this standard for canonization as “ world literature ” by showing how poorly it applies to Pamuk. Reading the Turkish novelist as a case study in the ways Western readers expand their reach, Fisk traces the terms of his engagement with a literary market dominated by the tastes of its Anglophone publics, who received him as a balm for their anxieties about Islamic terrorism and the stratifications of global capitalism. Fisk reads Pamuk ’ s post-9/11 novels as they circulated through this audience, as rich in cultural capital as it is far-flung, in the American English that is global capital ’ s lingua franca. She launches a polemic against Anglophone readers ’ instrumental use of literature as a source of crosscultural understanding, contending that this pervasive way of reading across all manner of borders limits the globality it announces, because it serves the interests of the Western cultural and educational institutions that produce it. Orhan Pamuk and the Good of World Literature proposes a new way to think about the uneven processes of translation, circulation, and judgment that carry contemporary literature to its readers, wherever they live.

Since his boyhood in a poor village in Central Anatolia, Mevlut Karatas has fantasized about what his life would become. Not getting as far in school as he’d hoped, at the age of twelve, he comes to Istanbul—"the center of the world"-and is immediately enthralled both by the city being demolished and the new one that is fast being built. He follows his father’s trade, selling boza on the street, and hopes to become rich like other villagers who have settled on the desolate hills outside the booming metropolis. But chance seems to conspire against him. He spends three years writing love letters to a girl he saw just once at a wedding, only to elope by mistake with her sister. And though he grows to cherish his wife and the family they have, his relations all make their fortunes while his own years are spent in a series of jobs leading nowhere; he is sometimes attracted to the politics of his friends and intermittently to the lodge of a religious guide. But every evening, without fail, he still wanders the streets of Istanbul, selling boza and wondering at the "strangeness" in his mind, the sensation that makes him feel different from everyone else, until fortune conspires once more to let him understand at last what it is he has always yearned for. Told from the perspectives of many beguiling characters, A Strangeness in My Mind is a modern epic of coming of age in a great city, and a mesmerizing narrative sure to take its place among Pamuk’s finest achievements.

A narrator sets out to prove that there is nothing exactly like a puffin but discovers that many things, including a newspaper and a helicopter, are a little bit like one and that a penguin is very much like a puffin.
