storytelling animal and why stories tend to captivate us so much, especially those who are full of danger and violence. The Storytelling Animal: How Stories Make Us Human presents theories on stories from an evolutionary perspective. It also gives compelling examples of a story's ability to change the course of history, including that of Adolf Hitler.

“The Storytelling Animal is informative, but also a lot of fun, as when Gottschall vividly describes the “Neverlands” his daughters create in their playtime. Anyone who has wondered why stories affect us the way they do will find a new appreciation of our collective desire to be spellbound in this fascinating book.

The Storytelling Animal – Jonathan Gottschall

The Storytelling Animal is about the way explorers from the sciences and humanities are using new tools, new ways of thinking, to open up the vast terra incognita of Neverland. It's about the way that stories—from TV commercials to daydreams to the burlesque spectacle of professional wrestling—saturate our lives.
