Dr Philippe Wilson

We know from basic science that oxygen plays an important role in the cross-linking reaction ... Then we had all the early experiments showing that by increasing oxygen concentration in the ...

# Read Online The Wittig Reaction Experiment Ysis

Is an oxygen boost needed to perform efficient epi-on cross-linking?

Synthetic chemistry depends on reliable, high-yielding and selective reactions that access a wide variety of different structures. The discovery of new methods in synthesis is crucial to expand the ...
